# WELCOME TO THE SHED

The original Shed was built on The Mt Nassau property in the early 1900's and met with it's demise in the 1967 bushfires. Rathbone Cottage (circa 1820) and the Homestead (circa 1830) were saved and are still used today as our Cellar Door and a private residence.

Built in the original shed's place was the shearing and tractor shed. This shed was used by the Hanigan family for both shearing sheep and mechanical work for the property.

In 2021 work began on "The Shed" Restaurant, which has been built in exactly the same footprint as the shearing and tractor shed. Many of the table bases have been built with timber from the Hanigan's shearing shed.

We hope you enjoy your dining experience.

# CHEESE

#### Pyengana cheddar

Matured in a traditional cheese cloth in a cave like environment for approximately 12 months to develop a rich, bold flavour with earthy characteristics

#### Pyengana St Columba blue

Smooth, creamy, melt in your mouth blue cheese. Traditionally handcrafted using milk sourced solely from the Pyengana Valley in North-East Tasmania

## La Catana Fluffy Cow (Brie)

Exhibiting a rustic rind, covering a rich and creamy paste that can still retain a firm middle section (chalky core) for most of its life but it doesn't compromise flavour. Delivers nicely balanced mushroom, nut, butter and garlic notes.

## **Tongola Bloom (Goats)**

Features a white bloomy rind, encasing a soft creamy cheese similar to a camembert. Mild flavoured goats cheese.

## **Grandvewe Gin Herbalist (Sheeps)**

Having won the 2019 world dairy innovation award, Gin herbalist is Grandvewes signature cheese. This cheese is rolled in botanicals that flavour Hatshorn Sheep Whey Gin.

All cheese served with pickled baby figlets, quince puree and poppyseed and mustard lavosh
